

Grover Middle School PTSA Parent Involvement –How to Volunteer

The best way for you to enhance your child's life in school is to be a part of The Grover Middle School PTSA. So many events are run entirely by parent volunteers who make a difference in the education and quality of life for our children. Years of research have proven that children do better when their parents are involved both at home and in school. We welcome experienced and new volunteers.

The BEST part --The amount of time you devote is totally up to you. But, we need to hear from you.
